

News and Events, May 2025 Edition

FROM THE PRESIDENT'S DESK

After a very wet April in Tennessee and other parts of the country, May has finally arrived. This is the final weather window for some last-minute antenna work before the sweltering summer heat arrives. May also means the two things to us contester types -- the Dayton Hamvention and the WPX CW contest.

As usual, several of your fellow TCG members will be attending the Dayton Hamvention. Things kick off on Thursday with Contest University. There are some new professors and new talks scheduled for CTU this year, including our very own AD4EB, just back from another record-setting performance in the Florida QSO Party. See elsewhere in this issue for Jim's story on his latest FQP adventure.

Also this year will be the final performance of the Spurious Emissions Band, which played for the first time at Dayton 15 years ago (my how time flies.) The band members gathered here in Pegram a couple of weeks ago and worked up another set of ridiculously silly songs for your entertainment. We are grateful to have N6AN join us this year for our (hopefully) comical version of "The Last Waltz."

Spurious Emissions Band, 2025

Finally, the second biggest CW contest of the year wraps up this month. The WPX CW contest is an "everyone works everyone" contest and is usually a monster rate fest. We're hoping for good band conditions this year, although it is not uncommon for 10 meters to fade a bit at this time of the season. There should be a lot of action on 15 and especially 20 meters. We hope to hear you in the WPX CW Contest. Look for some helpful propagation charts on our mailing list later this month.

A survey pool recently went out to the membership proposing a possible move of our mailing list platform. Our current platform (Google Groups) is showing its age, and some users have had difficulty using it. There is another platform called groups.io which has been widely adopted by other amateur radio communities. Please let us know in your survey vote how you feel about changing platforms.

Thanks again to Brad WF7T for handling the newsletter over the last several months. Cathy W4CMG will be taking over starting with next month's newsletter. We are very grateful to Brad and Cathy for their ongoing contributions to the Tennessee Contest Group.

73, —Kirk K4RO TCG President

AD4EB/M – FLORIDA QSO PARTY 2025

Everything just happened to align perfectly to finally reach the 4,000 QSO mark in this year's FQP. With a QSO count of 1,909 after 10 hours on Saturday, it looked like we would end up a bit short. But we still thought it was possible, as the last few hours operating as a mobile in these QSO parties are often the best (people come out of the woodwork for some reason). To take the most advantage of the last few hours, Melody and I decided to spend a little extra time on 2 county lines, knowing that it would probably cause us to miss making it to our last planned county. It paid off, the QSO counts for the last 3 hours were 230, 252, and 198, which took us barely over 4,000 QSOs for the first time as a single op. Our final claimed QSO count is 4,011 QSOs, which we realize may not stand after log checking, but that's okay as it would give us a goal for next year.

This was the first time I've ever averaged 200 QSOs/hour in a 20-hour contest. Here are the things I feel contributed to making it possible:

1. Operating in as many CWTs as possible
2. Practicing pileups with MorseRunner, using previous FQP callsigns, daily for 5-6 weeks
3. Operating mobile in the GQP two weeks prior with 3,531 QSOs (I was very warmed up)
4. Band conditions were extraordinary, with 2 bands always wide open (40 and 20, or 20 and 15)
5. Having so many other mobiles created lots of interest (and kept my pileups a bit smaller and thus more manageable)

6. #1 - Melody did her usual great job driving and keeping us on schedule and safe

In this contest there are not many multipliers for in-state participants. The multipliers are states, provinces, and DX call signs. By the end of this contest, each multiplier was worth 51 QSOs, which makes searching for them worthwhile. So, what I have recently started doing is operating SO2V and assisted with my IC-7610 to chase DX stations. I use the 2nd VFO and the N1MM spectrum display to look for workable DX multipliers. It can take a while to get the other station to correctly copy my callsign and then exchange the state and county but it sure does result in a larger score.

Below you find some screens shots showing the score summary, rates, and multipliers. If any of you have an inkling to get into mobile contesting, you won't be disappointed. I would be glad to help.

A big thank you to all the TCG members that worked us.

73 – Jim AD4EB and Melody KI4HVY

.....

Didn't see your score listed? Next time, make sure to submit your score summary to 3830scores.com, and use the pull-down menu under "Club" to select "**Tennessee Contest Group**." Of course, it's also important to make sure that the Cabrillo file that you submit to the contest sponsor also contains the following line: **CLUB: Tennessee Contest Group**. This will ensure that your score will contribute to the TCG club aggregate score.

DUES & MEMBERSHIP & NEW MEMBERS

No new members logged in April! If you have someone that you would like to nominate as a new member, please e-mail K0EJ (mark.speck.k0ej@gmail.com) so an invite can be sent out.

Are you up-to-date with your dues? Do you need help navigating the HamClubOnline (<https://secure.hamclubonline.com/>) ? Pop us a message via the TCG Google Group (<https://groups.google.com/u/1/g/tcg1>) and we can assist!

TCG membership is open to all with an interest in contesting. There are no geographical limitations. All you need is a sincere interest in contesting, and the willingness to get on the air and operate with us.

All in all, it's been a fun solar cycle peak. Contest records were broken, DXCC bandslots have been filled, some ATNO's logged. Some lucky few even experienced some real F2 propagation on the Magic Band. It's not over so chin up! The high bands will still be lots of fun through this year, so keep Radio Active!

It has been a pleasure to serve the club as your newsletter editor. I now pass the reins to Cathy W4CMG; you are in great hands. See you in Dayton, and see you on the bands...73 Brad WF7T
